What is your idea?

What does it do?

How does it work?

Have you ever seen anything similar?

What makes your idea unique?

Who would buy your new product?

How much would you pay for one?

What kind of retail outlet would carry your idea?

If you need more space attach pages to this document.

**\* BRIEF DESCRIPTION \***

My idea is a baby half Tee shirt and baby One piece Tee shirt, with two detachable bibs. They will come in all colors and sizes, extra bibs will be available. They will make life easier, for on the go moms, at home moms and working moms, and all child care centers. The 2-in-1 Tee-N-bibs will snap or velcro, onto the under-neck part of the tee-shirts. No I have not seen anything similar to this idea. What make my idea so unique, is that it safer than the standard tie behind the neck bibs, also it's easier to put on and take off, when babies are very fussy. Most babies fall asleep while feeding it would be easier to remove, without waking the baby. Who would buy the product, Parents, Grandparents, all child care center, and hospital, places where infants are being care for. The price for the 2-in-1 short tee-shirt with (2) two detachable bibs is \$7.99 for the One piece 2-in-1 Tee-N-bibs \$9.99. Babies R Us, baby Depot, J.C. Penny, Sears store, most retail store where babies items are sold.

## SUBMISSION GUIDELINES

To receive your free offer you must  
first outline your concept on the following pages.

- 1) On Page 2, please provide a brief description explaining what your idea is, what it does, and how it works. A short paragraph is all that is necessary at this point. See the *Help Box* for tips.
- 2) On Page 3, we've provided a grid for a basic drawing. Highlight any major moving components or design features. Your artistic abilities are unimportant.
- 3) Sign and date the Statement Of Authenticity on Page 3.
- 4) Prototypes are neither necessary nor requested at this point.
